WORK EXPERIENCE

Wordpress Developer

Measured, Texas, US

October 2023 - Present

- Maintain and enhance main website, support portal, and Hubspot landing pages.
- Improved SEMrush website health from 78% to 98%, reduced page load time from 3.5s to 0.7s using CDN and caching.
- Developed reusable React components; integrated Clearbit for forms to boost submissions by 20%.
- Containerized WordPress with Docker and CI/CD pipelines for efficient deployment.

Software Developer

Gardensalive, Lawrenceberg, US

February 2018 - February 2022

- Redesigned and developed brecksgifts.com using Shopify (previously on CommerceV3), implementing custom features from mockups.
- Integrated third-party APIs and optimized functionality across Shopify and CommerceV3 platforms, increasing conversions by 20%.
- Conducted A/B testing and SEO improvements, leading to a 3x increase in revenue during COVID.

Web Administrator

Gardensalive, Lawrenceberg, US

July 2013 - February 2018

- Managed bulk email campaigns using platforms like Silverpop, Kalio, and Klaviyo.
- Developed responsive email templates, boosting engagement and conversion rates.
- Led a shift from print to digital marketing, significantly increasing revenue through email.

Junior Web Administrator

Gardensalive, Lawrenceberg, US

July 2012 - July 2013

- Collaborated on UI/UX for multiple brand websites, improving performance and uptime.
- Built productivity tools to reduce manual workload by 95%.

Process Associate

Gardensalive, Lawrenceberg, US

January 2012 - July 2012

- Earned customer praise and a certificate for exceptional support.
